

Democritus University of Thrace Civil Engineering Department Career Day

Bringing Together our University with Industry Best

Career Day: Why Participate

Discover Talented Young Engineers for your Business

The career day is an excellent opportunity to immediately discover talented, highly trained young engineers ready to contribute to your business's success.

You will have the opportunity to talk directly with our students, conduct interviews and present your company while enhancing your business image by communicating the opportunities you offer to young scientists.

Date and Location

Xanthi, 24th of October 2023

Location:

Civil Engineering Department, DUTH, Building A', Campus Xanthis Kimmerion, 67100, Xanthi.

Facilities and Amenities

Available for the participants during the career day

Refreshments will be provided

Designated area for participants

Accessible restrooms available

Wi-Fi via Eduroam for all participants

Ample parking space available

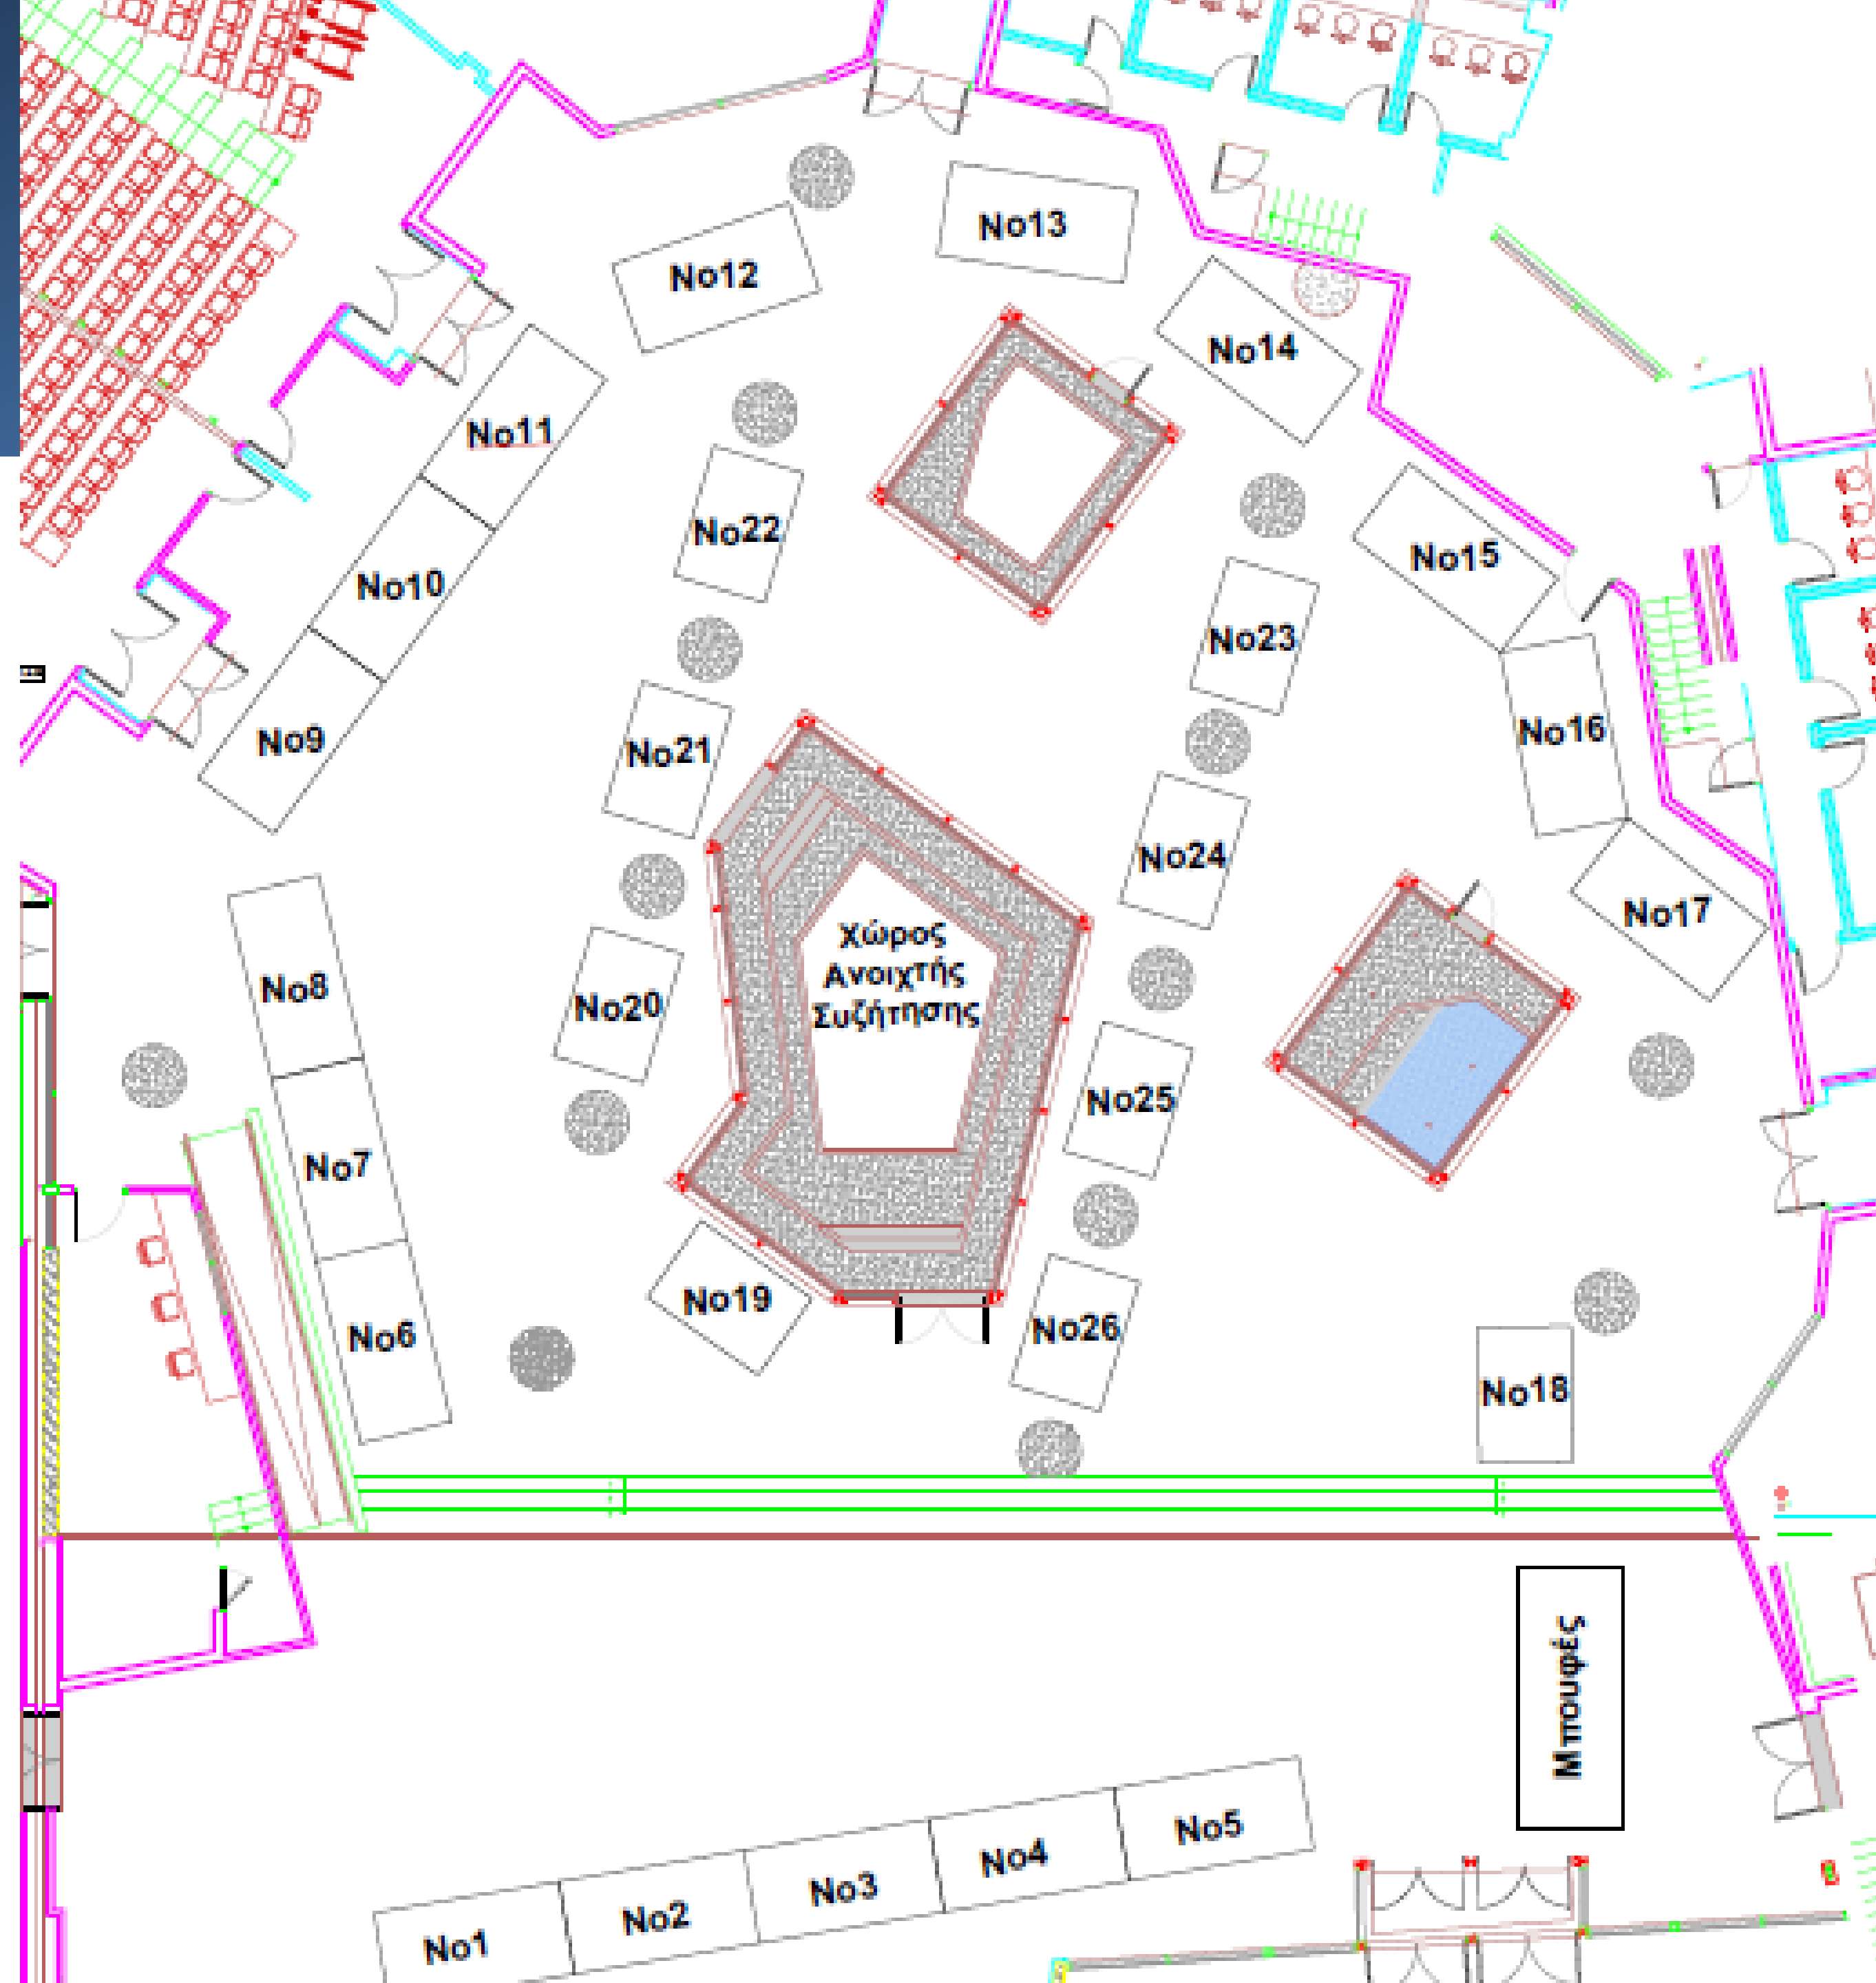

Equipped rooms for presentations

Sponsorships - Promotion and Branding Opportunities

Benefits of Sponsoring

- a) More visible – central areas. More space for banners.
- b) Logos will appear on promotional materials, such as programs, posters, brochures, and on the event website.
- c) Public recognition and thanks using companies' logos for their support through the University's social media via press releases.
- d) Sponsors can make a presentation during the event. This will allow them to address the participants and promote their company directly.
- e) Visits to the Laboratories of our Department, meet our research teams, and learn about their activities.
- f) Conduct online interviews.
